Point Loma Resources Ltd. Will Open for Trading July 5, 2016 on TSXV

CALGARY, AB --(Marketwired - July 04, 2016) - Point Loma Resources Ltd. ("**Point Loma**") (TSX VENTURE: [PLX](#)) is pleased to announce we will begin trading as PLX on the TSX Venture Exchange beginning July 5, 2016.

Point Loma has a consolidated and focused exploration and development oil play in the Paddle River area of Alberta. Point Loma believes its core area of the Western Canadian Sedimentary basin is currently under exploited and has significant economic potential in the current commodity environment.

About Point Loma

Point Loma is a public oil and gas exploration and development company focusing on conventional oil and gas reservoirs in Central Alberta. Point Loma will utilize its experience to acquire, drill and develop assets with potential for horizontal multi-stage frac technology and exploit opportunities for secondary recovery. For more information please visit Point Loma's website at www.pointloma.ca, or Point Loma's profile on the System for Electronic Document Analysis and Retrieval ("**SEDAR**") website at www.sedar.com.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
